

Create Azure Account with Entra ID P2

Task 1: Create Entra ID Account

In this task, you will create the Entra Id account for Azure Account.

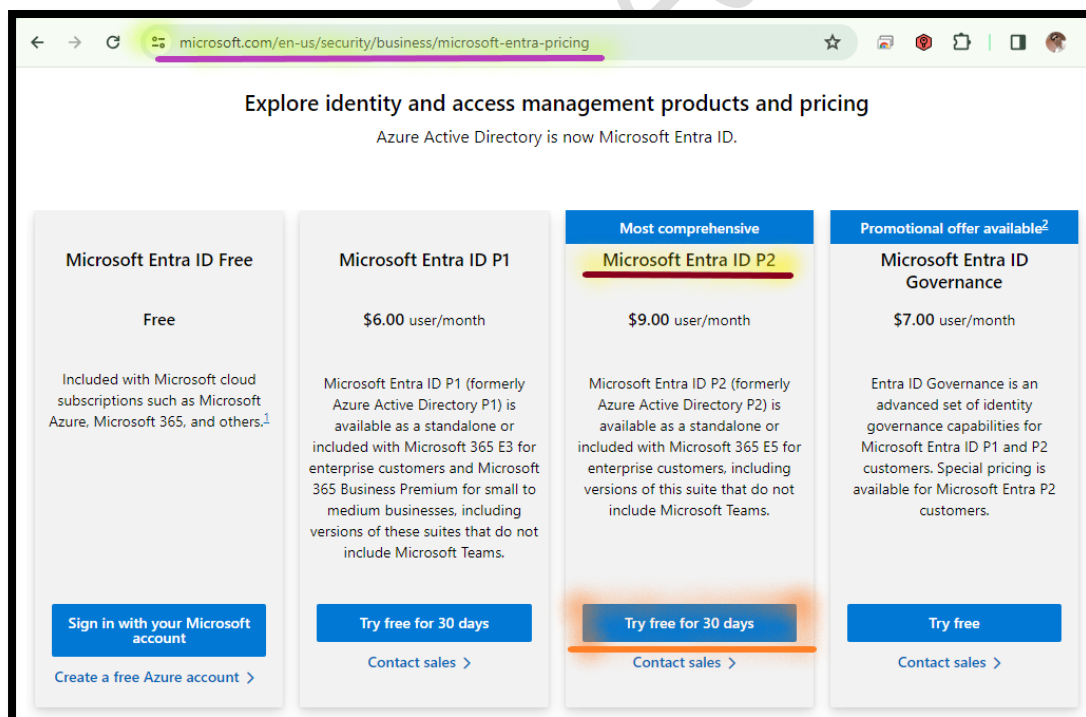

Step 1: Create Entra ID P2 Account

1. From the **Local Desktop/ Laptop** (**Windows Desktop OS**), Open the below **URL**.

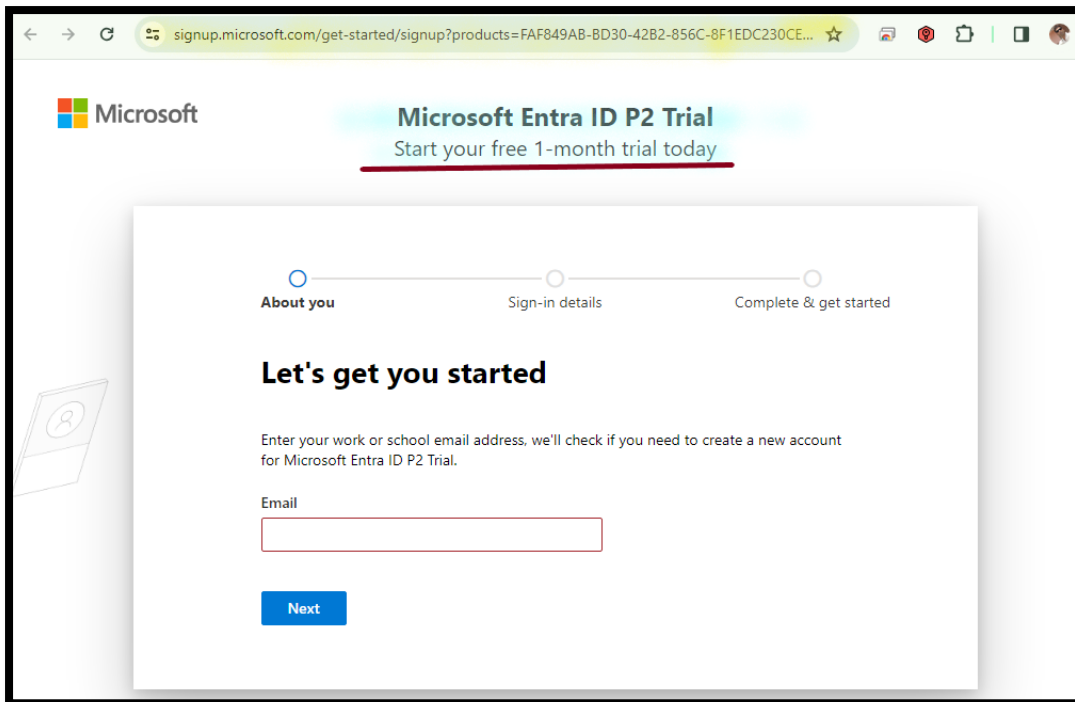

<https://www.microsoft.com/en-us/security/business/microsoft-entra-pricing>

Note: You can see the **Microsoft Entra Plans and Pricing** page.

- a. From the **Microsoft Entra Plans & Pricing** page:
 - i. Select **Microsoft Entra ID P2**.
 - a) Select **Try for 30 days**.

Note: You can see the **Microsoft Entra ID p2 Trial** page.

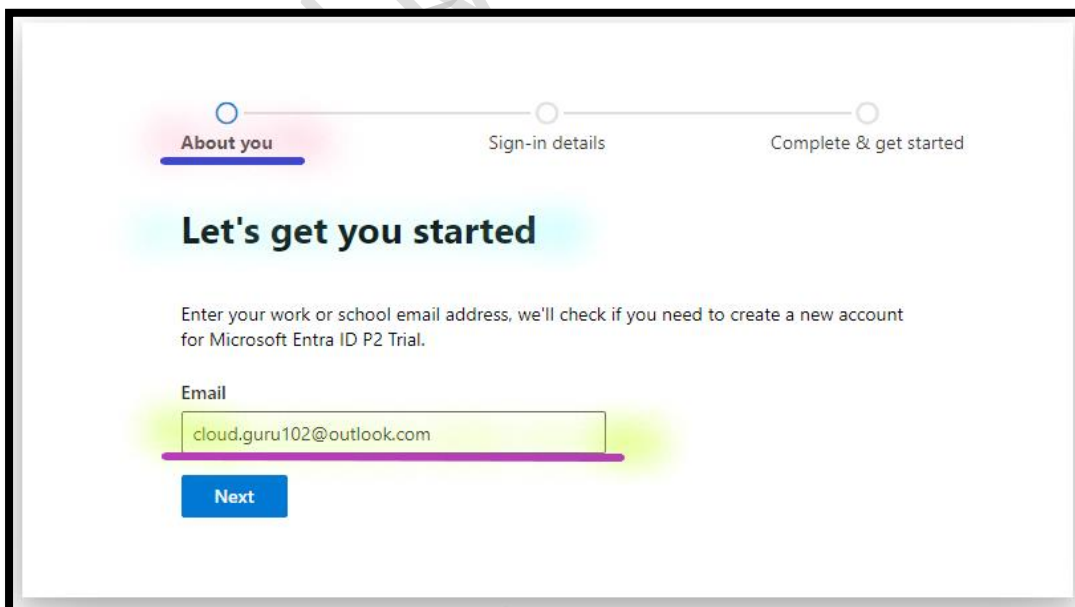

b. From the **Microsoft Entra ID P2 Trial** page.

i. In the **About you** section:

1) In the **Let's get you started** sub section:

a) **Email:** Enter your **E-mail ID** (**Azure Account Root Id**).

I. Select **Next**.

2) In the **Let's get you started** sub section:

a) Select **Setup your account**.

Progress bar: About you (active), Sign-in details, Complete & get started

Let's get you started

Looks like you need to create a new account. Let's get you started!
Continue as **cloud.guru102@outlook.com**.

Set up account | Change my email

3) In the **Let's get you started** sub section:

a) **Update** your **Personal Info**.

Progress bar: About you (active), Sign-in details, Complete & get started

Tell us about yourself

First name * | Middle name (Optional)

Cloud102 |

Surname * |

Guru |

Business phone number * |

999999999 |

Company name * | Company size * |

ITPF | 50-249 people |

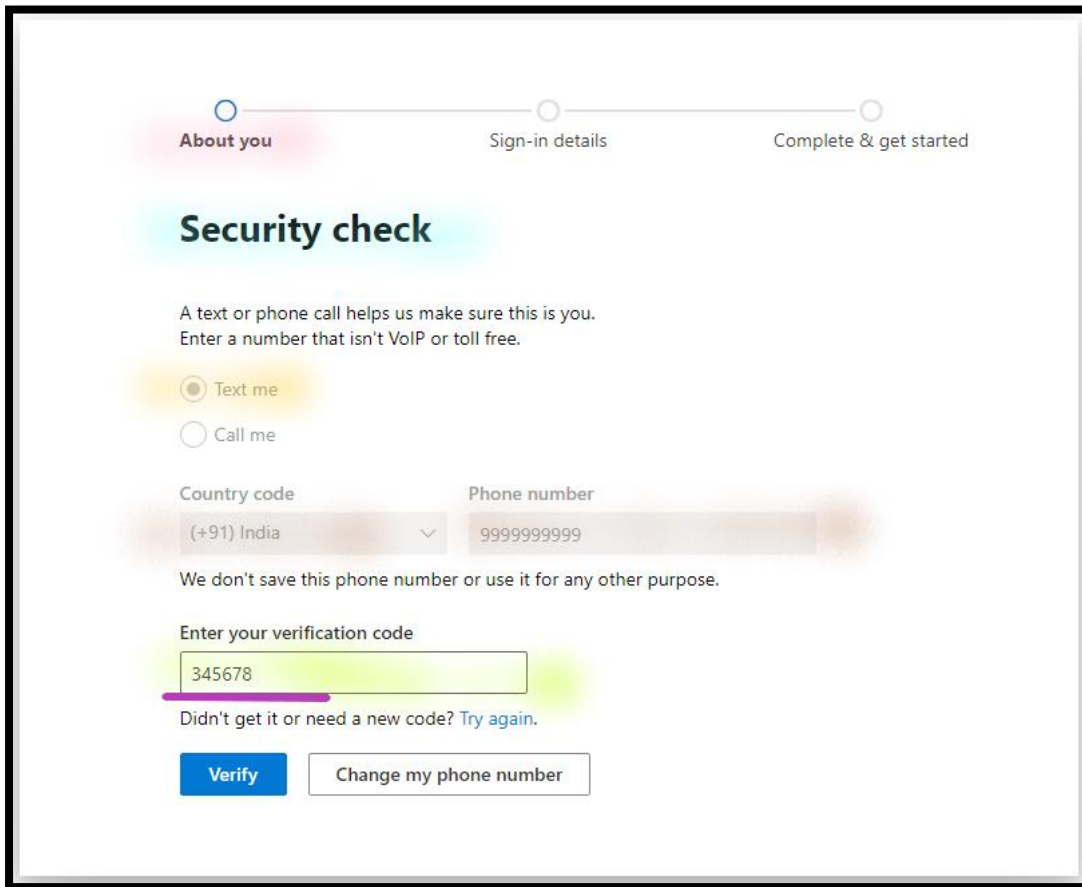

Country or Region * |

India |

I. Select **Next**.

4) In the **Security check** sub section:

a) **Complete** the **Security check**.

A screenshot of a web page titled "Security check". At the top, there is a progress bar with three steps: "About you" (highlighted in pink), "Sign-in details", and "Complete & get started". Below the progress bar, the heading "Security check" is displayed. The text explains that a text or phone call will be used to verify the user's identity and asks for a number that isn't VoIP or toll free. There are two radio buttons: "Text me" (selected) and "Call me". Below these are input fields for "Country code" (set to "+(91) India") and "Phone number" (set to "9999999999"). A note states: "We don't save this phone number or use it for any other purpose." There is a text input field for "Enter your verification code" containing the number "345678". Below this is a link: "Didn't get it or need a new code? Try again." At the bottom are two buttons: "Verify" (highlighted in blue) and "Change my phone number".

I. Select **Verify**.

ii. In the **Sign-in details** section:

1) In the **How you'll sign** sub section:

Note: You can see the **User name**.

Note: You can see the **Domain name**.

a) **Username:** Write your **Name**.

b) **Domain name:** Write your **Name123**.

Note: Replace **123**, and Click on **Save**, until your domain name is **accepted**.

Note: You can Use **any name** under Domain name, which should be **unique**.

Progress bar: About you (checked), Sign-in details (current), Complete & get started (empty)

How you'll sign in

This username is what you'll use to sign in each time you use your apps. The domain name is a suggestion. You can change your domain now, or later at any time with your own custom domain.

Username *

Domain name * Save

Note: If Domain name is **accepted**, it get's **greyed out**.

Progress bar: About you (checked), Sign-in details (current), Complete & get started (empty)

How you'll sign in

This username is what you'll use to sign in each time you use your apps. The domain name is a suggestion. You can change your domain now, or later at any time with your own custom domain.

Username *

Domain name * Edit

- c) **Password:** Enter your **Preferred Password**.
- d) **Confirm password:** Enter your **Preferred Password**.

The screenshot shows the 'Sign-in details' step of a Microsoft account creation process. At the top, a progress bar has three stages: 'About you' (completed with a blue checkmark), 'Sign-in details' (current stage with a blue circle), and 'Complete & get started' (pending with a grey circle). Below the progress bar, the heading 'How you'll sign in' is displayed. A paragraph explains that the username is used for signing in and that the domain name is a suggestion that can be changed later. The form contains two rows of input fields. The first row is for the 'Username' (containing 'ahmad') and 'Domain name' (containing 'ahmadmz321.onmicrosoft.com' with an 'Edit' link). The second row is for 'Password' and 'Confirm password', both masked with dots and having toggle icons. Below the password fields, a line of text states: 'By selecting **Next**, you agree to our [trial agreement](#).' At the bottom is a blue 'Next' button.

I. Select **Next**.

iii. In the **Complete & get started** section:

1) In the **Confirmation details** sub section:

a) **Update** your **Personal Info**.

The screenshot shows a three-step progress bar at the top: 'About you' (checked), 'Sign-in details' (checked), and 'Complete & get started' (highlighted in red). Below the progress bar, the heading 'Confirmation details' is displayed. A message states: 'We need a bit more info from you before you continue'. The form contains the following fields: 'Company name *' with the value 'ITPF'; 'First name *' with the value 'Cloud102'; 'Middle name' (empty); and 'Surname *' with the value 'Guru'.

I. Select **Save**.

2) In the **Confirmation details** sub section:

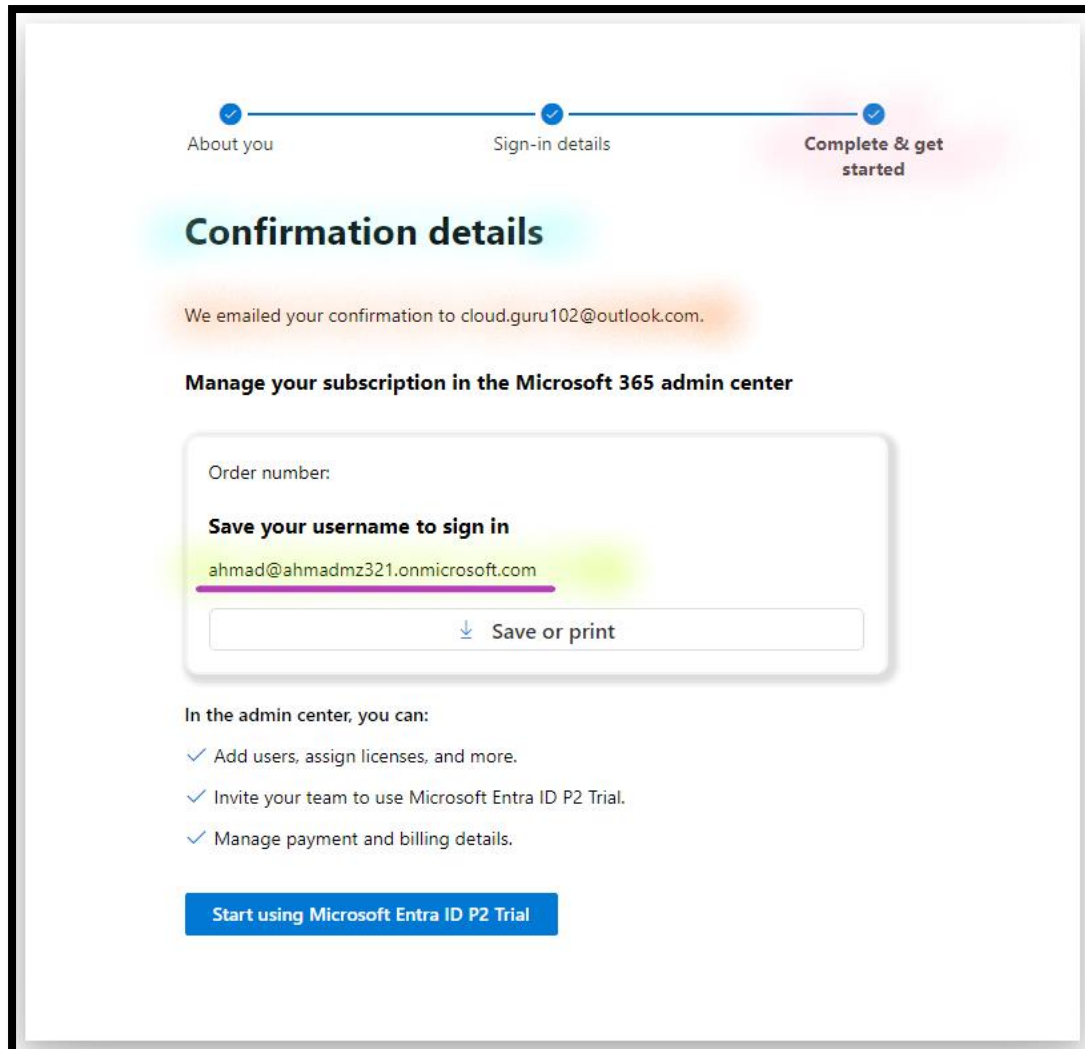

a) **Update** your **PAN account number**.

This screenshot shows the same 'Confirmation details' section. The heading 'Registration number' is present, followed by a note: 'These numbers help us review the details of your account. [Learn more about registration numbers](#)'. Below this, a label reads 'Enter your Tax ID or PAN registration number:'. A text input field contains the value 'AABBB1234A'. A blue 'Save' button is located at the bottom left of the form area.

I. Select **Save**.

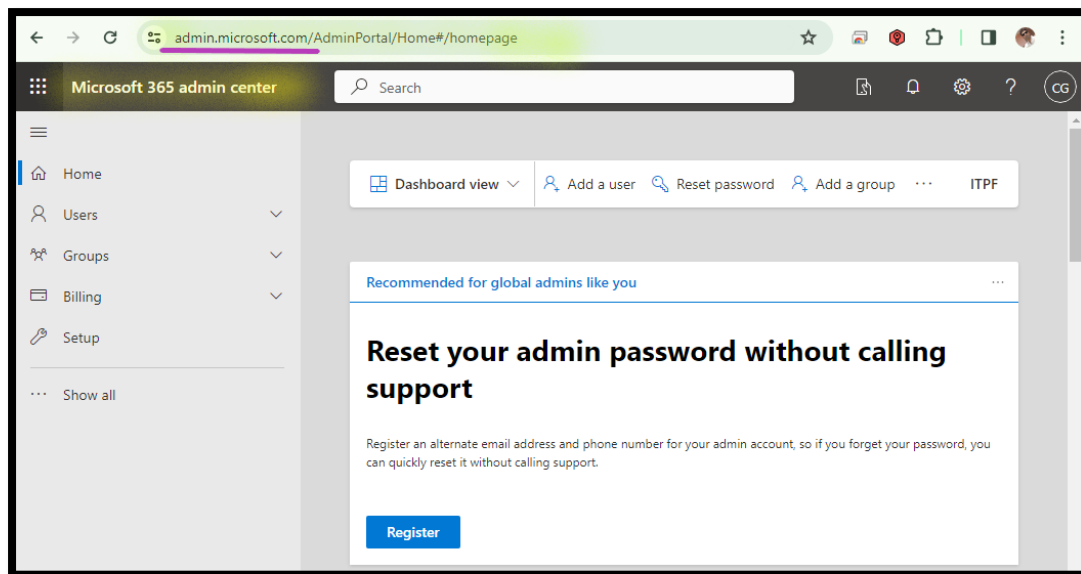

3) In the **Confirmation details** sub section:

- a) **Copy** the **username** in the **Notepad** (Like *ahmad@ahmadmz321.onmicrosoft.com*).

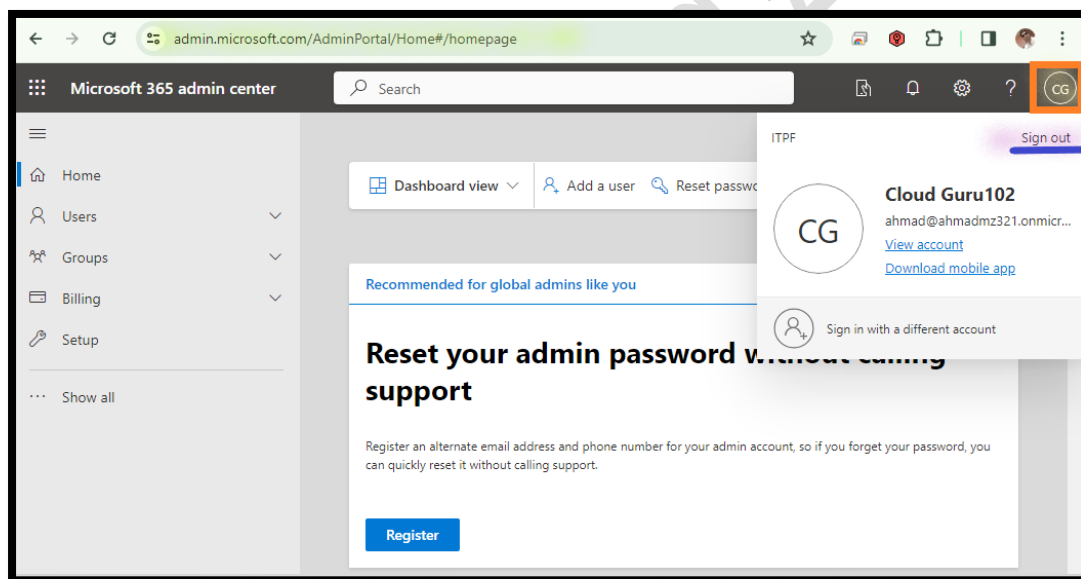

- I. Select Start using **Microsoft Entra ID P2 Trial**.

Note: You Can see the **Microsoft 365 Admin center**.

b) Click on **Account Manager**.

I. Select **Sign out**.

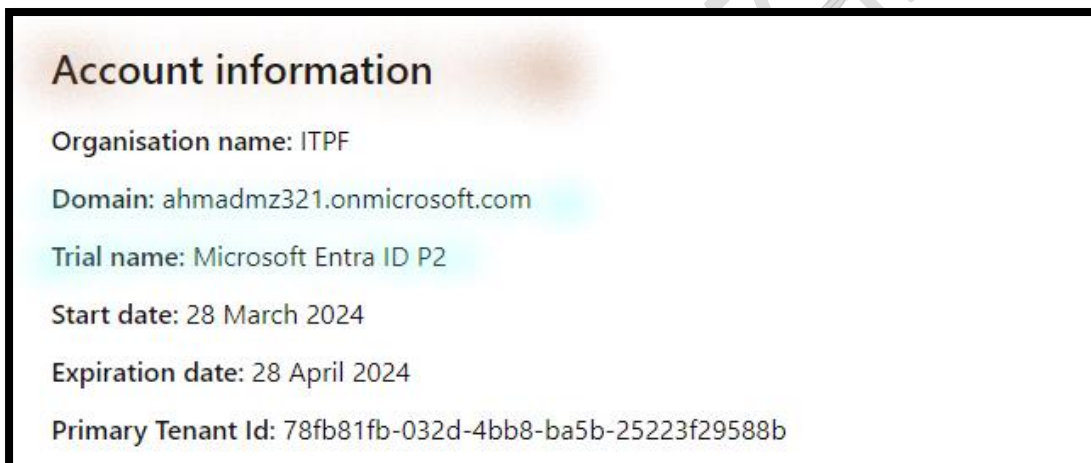

b. Open your **E-mail Id**.

i. You can see the **email** from **Microsoft** for **Microsoft Entra ID P2 trial**.

Note: You can see the **Account Information** details.

1) **Close** your **e-mail**.

Task 2: Create Azure Account with Free Tier Subscription

In this task, you will create the Azure Account with free tier subscription.
